

LAST - BOYFRIEND

I have  
found the  
person  
I like.

He can  
ask for  
more...

DON'T SAY  
THINGS THAT  
SOUND LIKE YOU  
HATE ME OR SOMETHING.

AND DON'T  
SPEAK AS IF  
YOU DON'T  
TRUST ME  
AT ALL.

THEN  
MIND IT.

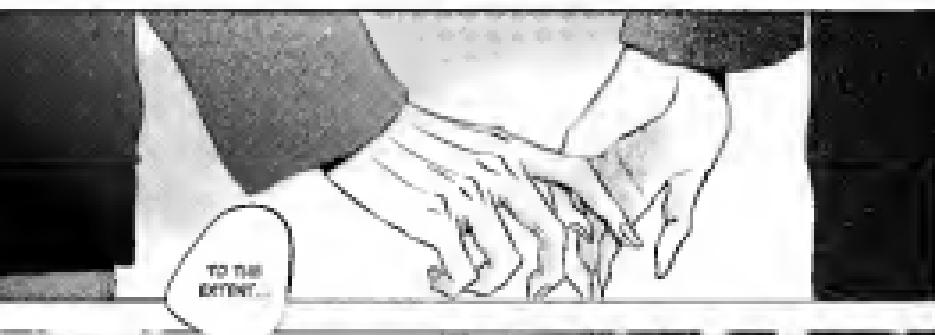

I GET  
HURT  
TOO.

OF WAITING  
ALL MY LIFE.

catekoih ova

In class.  
Ao is a  
manga-ka.

Nice to meet you.

Thank you for buying this book.  
Since it's my first time publishing this, I was so nervous  
that my heart was about to burst...

I remember having to draw a continuation after finishing  
Katsura Opera. That just killed a bunch of brain cells.

Although rereading this made me realize that there are  
many areas that are not mature enough. I really love Ao,  
Akuto, Maron and Bern and have put in my all to draw them.  
Although they are as immature as I am (especially Ao), I  
will be happy if you like them.

Here, I sincerely send my love to all those people who gave  
this immature me the opportunity to draw, my editor,  
Hi-sann, who advised me when I was lost, all those who  
supported me and helped me to draw the manuscript, Mikita,  
Fumi, Saito-chan and Hama-chan, and all the readers who  
read this book.
